Wedding Reception Guidelines

To ensure your day is truly special

Bar Service

Kegs, Wine, Champagne and drink tickets are available for purchase through the hotel. North Dakota law prohibits the service of alcoholic beverages to persons less than 21 years of age. Alcoholic beverage service hours are in compliance with ND state laws. The Baymont Inn & Suites of Fargo is the only licensee authorized to sell and serve liquor, beer or wine on our premises. Alcohol consumption must be completed by 12:45 a.m. An 18% service charge is added to beverages as they are consumed. ND sales tax is added to liquor charges where applicable.

Meal Counts

A menu selection should be given to your Special Events Coordinator two weeks prior to your event. A guaranteed number of guests must be received 3 days prior to your event. If a guaranteed number is not given in time, food will be prepared in order to accommodate the highest figure proposed at the time of booking. All food & beverage prices are subject to a 18% service charge and the current North Dakota State tax rate. The Baymont is the only licensee authorized to sell and service food & beverage products on our premises. Prices are subject to change.

Decorating

The Baymont offers complimentary mirror tiles, votive candles, and rose bowls to all of our brides. 1 week prior to your reception date we will notify you when your room will be available for decorating. Glitter, Confetti & Candelabras are not allowed in the reception rooms. All decorations that you would like to keep must be removed from the reception room by 2 a.m.
